Dear Sir:

Applicants' undersigned representative contacted Examiner Vanoy by telephone on June 1, 2007, and inquired whether a Terminal Disclaimer for the present application with respect to U.S. Patent Application No. 10/996,791 was necessary, as the '791 application had not yet been allowed. Examiner Vanoy informed Applicants' representative that the '791 application had in fact been allowed. Applicants' representative stated that he would submit a Terminal Disclaimer for U.S. Patent Application No. 10/996,791 in the present application, which was submitted on June 1, 2007.

On June 7, 2007, Examiner Vanoy contacted Applicants' representative regarding Claims 84-98 of the present application. Examiner Vanoy proposed the cancellation of Claims 84-98 from the application, although no specific prior art references were discussed in this regard. Applicants' undersigned representative agreed to the cancellation of Claims 84-98 and Examiner Vanoy indicated that the application would now pass to allowance.

Respectfully submitted,

MARSH FISCHMANN & BREYFOGLE LLP
